Welcome to EUSIPCO 2027

EUSIPCO is the flagship European conference on signal processing, organized annually by EURASIP. The 35th edition returns to Germany, choosing Darmstadt — a city renowned as a hub of science, culture, and innovation.

Known as the *Wissenschaftsstadt*, Darmstadt is home to TU Darmstadt, the European Space Operations Centre (ESOC), and multiple Fraunhofer institutes — all set against the backdrop of the Mathildenhöhe, a UNESCO World Heritage Site and icon of Art Nouveau architecture since 1901.

Sponsoring EUSIPCO 2027 places your organization at the center of the European signal processing community, with direct access to over 700 researchers, engineers, and decision-makers from academia and industry worldwide.

EUSIPCO brings together the world's leading experts in signal processing, communications, and data science. Past editions have drawn delegates from over 50 countries, spanning industrial R&D, academia, and government research, making it the premier European venue for meaningful professional connections.

ESOC — European Space Operations Centre, Darmstadt

"Being a sponsor at EUSIPCO 2027 gives you the opportunity to present your company to an interested, highly qualified, and international audience."

| DARMSTADT ARCHITECTURE

Waldspirale

Designed by Friedensreich Hundertwasser and completed in 2000, the Waldspirale residential complex is one of Darmstadt's most vivid landmarks — a swirling, colourful facade where no two windows are alike. It stands as a testament to the city's enduring tradition of bold, humanist architecture.

THE CITY

Science, Art & Easy Access

Darmstadt holds the proud title of Germany's *Wissenschaftsstadt* — a city where TU Darmstadt, the European Space Operations Centre, and the GSI Helmholtz Centre operate side by side.

Just 30 minutes from Frankfurt Airport, Darmstadt pairs cutting-edge research infrastructure with exceptional cultural richness, centered on the Mathildenhöhe UNESCO World Heritage artists' colony dating to 1901.

The darmstadtium

Science & Congress Centre, Darmstadt

darmstadtium Science & Congress Centre — Darmstadt city centre

Named after chemical element 110 (Darmstadtium, symbol Ds), discovered at the nearby GSI Helmholtz Centre in 1994, the darmstadtium stands at the very heart of the city — steps from the historic Residenzschloss and the pedestrian zone.

The venue offers 21 flexible conference rooms, plenary halls for up to 1,677 delegates, and a large exhibition foyer for poster sessions and sponsor booths. Its state-of-the-art fiber-optic infrastructure provides the high-bandwidth connectivity essential for a technical conference.

Ranked among Europe's most sustainable congress centers, the darmstadtium combines design excellence with energy efficiency — a fitting host for a forward-looking scientific community.

Orangerie Darmstadt-Bessungen — Baroque park & gardens, c.1720

| SOCIAL EVENTS

Conference Banquet

The conference banquet will take place at the Orangerie in Darmstadt-Bessungen — a baroque masterpiece surrounded by formal gardens, offering an unforgettable evening with classical violin and piano concert for all attendees.

Built around 1720, the Orangerie is one of Darmstadt's finest historical buildings, set within symmetrical baroque grounds with fountains and avenues.

SPONSORING OPPORTUNITY

Banquet Sponsor € 5,000

Give your brand prime visibility at the highlight social event of the conference. As Banquet Sponsor, your logo will feature prominently throughout the evening, on menus, and in all event communications.

WEDNESDAY EVENING

SPONSORING OPPORTUNITY · EXCLUSIVE

Welcome Reception Sponsor

€ 5,000

Your brand takes center stage at the conference opening evening. Logo placement throughout the venue, branding on all event communications, and an introduction to attendees during the welcome address.

| SOCIAL EVENTS

Welcome Reception

The Welcome Reception on the first evening of the conference offers the perfect setting to begin with elegance and connection. Guests will be welcomed with sparkling wine, exquisite finger foods, and soft live music in a relaxed and sophisticated atmosphere.

For sponsors, this event provides a unique opportunity to present their company in a prestigious setting, engage directly with leading experts and rising young scientists, and build valuable new connections — the ideal occasion to combine visibility, networking, and lasting impressions from the very start of the conference.

MONDAY EVENING

| SOCIAL EVENTS

Castle Party

Our Castle Party offers a truly unique conference evening in the atmospheric cellar vaults of the historic university castle — a vibrant venue well known and loved by students and guests alike. Extending into the picturesque castle courtyard and garden, the event creates the perfect setting for relaxed conversations and memorable encounters.

Guests will enjoy a welcome drink, refreshments available both indoors and outdoors, and lively music by a DJ throughout the evening. For sponsors, this event is an excellent opportunity to increase visibility, connect with established experts and rising young scientists, and build valuable relationships in an informal and engaging atmosphere.

SPONSORING OPPORTUNITY · EXCLUSIVE

Castle Party Sponsor € 3,000

Exclusive branding at the castle party venue — your logo displayed throughout the Schlosskeller and Schlossgarten, included in all event communications, with high visibility in a unique and memorable setting.

THURSDAY EVENING · RESIDENZSCHLOSS
DARMSTADT

| CULINARY CULTURE

Taste of the Rhine-Main

The Rhein-Main region is a culinary crossroads — hearty Hessian classics like Handkäse mit Musik and slow-cooked Rinderhaxe sit alongside modern gastronomy shaped by decades of international exchange. Darmstadt's restaurant scene, farmers' markets, and proximity to the Rheingau wine region ensure that every evening after the conference offers its own rewarding discovery.
